

RICE UNIVERSITY

Rice Center for Engineering
Leadership (RCEL)

*Developing Leaders in
Technology and Engineering*

SENIORS: APPLY NOW!

ROBERT H. PARKS, JR. PRIZE FOR EXCELLENCE IN ENGINEERING LEADERSHIP

Awarded annually to a graduating senior who has displayed leadership both in and outside the classroom while an undergraduate at Rice. The selected student must be recognized by faculty and peers as an exemplary leader. This award also recognizes the potential for future leadership in engineering careers.

Selected student will receive a **\$5,000 cash prize**, presented by the Executive Director of the Rice Center for Engineering Leadership, and **recognition in the 2023 Rice Commencement Program**.

ELIGIBILITY

- Graduating Rice senior earning a degree from the School of Engineering.
- Must prove intentions for follow-on career in industry.
- Must be a U.S. Citizen.

TO APPLY

Submissions must be accompanied by a letter of recommendation from a Rice faculty or staff member, as well as: a resume, (including GPA); headshot; essay (1,000 words or less); and a portfolio of evidence demonstrating development as a leader during your time at Rice.

DEADLINE TO APPLY:
MARCH 20, 2023
